I asked my some questions and here are the answers. So did you like the book? Yep!!! How many stars will you give it? That's easy I give it five stars!! Can you tell me why it's five stars? Yeah I can. So first of all it's a comic and it lets you answer question afterwords and I sometimes got them wrong but it kept on cheering me on and so I actually got them right!!! So would you recommend it to anyone? Yeah I will. To who? Well, I would recommend it to ages 6-12 and people who like minecraft. So you would actually recommend it to 12 years old kids? Yes, why not? Just wondering. Can you tell me anything else? Um.. I'll try to think of something. Well...hmm..umm..ohh!! There are these characters which are called Flash and Bones and bones is a villager and Flash is a person who does not know what has happened and when he wakes up he finds himself laying in a place in the middle of nowhere. Well actually that's the first

book but still! So can I ask you one more question? Sure! Would you recommend it to grandmas and grandpas too? umm... of course not. Why? Mom you said one more question your asking two questions. Fine one more question honey okay? Fine. Why would you not recommend it to grandmas and grandpas? Well, because I dont think they would like it. Well, thank you for the interview. Your welcome. ^ _ ^

This book is legendary. It was super good quality and it had multiple perspectives while our heroes (and heroines) reunite. ~Spoilers Alert! Don't look away and please be tempted to read this!(troll life)~So yeah. Before we start the spoilers, which probably some of you are looking foward to (for you people that can't resist), I am just saying my birthday is in May! Horrib- I mean yay! Great! Awesome (please don't sing happy birthday to meÃ¢ÂÂ it gets on my nerves)! So yeah, please don't let me down when you release your book in May, that might be a great birthday present for me! Anyway, on to the spoilers (the spoilers are perfectly necessary and it was totally not for a troll but was for a summary of the book)! There are none lol U mad?(jk) So basically,

----- and then ----- and so Bones
-----horse-----
-----then
Flash-----
--left angel
and-----conflicts-----Flash
searches in for
the-----then
Bones-----
-----faints. I also forgot the part when
-----the magical
underworld-----
----- woke up. Ok, that wraps
on the spoilers. (The Troll Inc. told me to do the dashes. Dont blame me!)

it was very good but only one thing where is the sequel i searched but nothing im pretty disapointed but otherwise it was great.

This serie is epic and this book is one of the best! Please make the next book and quick.

Awesome!!!!!!!!!!!! I liked the part when flash was warning the bandits that the imperial soldiers were going to attack them when zombie bones, knocks out flash and that the book ended right after he did.

You lied to us that this book is supposed to be a different title and be published at march. But in the bright side, it's an awesome story!!!! I hope you won't delay the time of the next book's publish date. I like this series of epic comics, I hope there would be a comic that is as cool as this!!!

CALVINY U NO WRITE ENDING WITHOUT CLIFF HANGER: DI still loved it anyway! Downloading Battle Bots From Below. Keep up the good work!
