Charlie Mack lives in Connecticut and is the editor of a national Matchbox collector club magazine.

This was a great asset to help me identify the cars I played with as child (1964-72 timeframes). All cars in this book are pre-go fast wheels.

was in excellent condition and included what I was looking for in the information

Great for collectors! You will get all the information you need about these "toys".

Terrific book for determining what you own and what you should buy if you are a collector, shipped quick and highly recommend seller

Very well printed. Quality paper . Bright,sharp photos and true - warm colors, Excellent information for everything about regular wheels. Prices about the cars are also included. I am reading it like a novel. Thanks Mr.Mack.
