George R.R. Martin's A Clash Of Kings #3

Synopsis

In the far North, Jon Snow and the men of the Night[™]s Watch prepare themselves for the coming winter – but recent events in the war bring troubling news to the north and could shake his oaths. Meanwhile, in King[™]s Landing, Tyrion must play a calculated game of intrigue to establish himself as the King[™]s Hand; but his sister Cersei – the Queen Regent, openly dismayed by the news of his appointment – sets herself against her younger brother, and the two lions of the Lannister family clash!

Customer Reviews

Graphics are great just not much to bite on. Takes about 15 minutes read. The scrolling is a nice feature also.

All of George R.R. Martin's books are fantastic. I have read the available books twice as well as watching the TV series and have thoroughly enjoyed each medium. I await his final books in this series as I do the T.V series. His books keep you reading long after you were intending to. To be able to kill off the main characters and yet keep you enthralled is a talent that doesn't come along

very often. I will be extremely sorry when this series comes to an end.Brilliant and exciting writing.
