Customer Reviews

Spencer Yost has written several tractor-related books, including How to Rebuild and Restore Farm Tractor Engines and How to Restore Your John Deere 2-Cylinder Tractor, and is the creator of Antique Tractor Internet Services (www.atis.net), the original antique tractor website. A computer-industry consultant by day, he lives in Pfafftown, North Carolina. www.atis.net

My son-in-law really liked this book as he is a tractor pull guy.

Husband adores this book. He took it to work to help with repairs there. Must be very informative. Guess I will have to buy one for the home library.. Good books have a habit of going missing....

Good book, lots of information, very informative for prospective tractor buyer. Does not cover any

specific make but covers everything from purchase to use.

Good book and great price but the book smells a little musty . I am happy though.

item received was as expected. USPS delivery exceedingly long after order.

good reference

Product arrived on time; was as expected.

my husband enjoyed it
