Criminal Procedure (Quickstudy Law)

Synopsis

BarCharts, Inc was founded on our law guides created by the owner. They were designed to understand the significant details within the larger scheme of the law, as a daily refresher, and to review before the Bar Exam. Twenty five years later we keep those guides up to date for students of law and criminal justice, paralegals, and practicing lawyers to have the most handy legal reference to the most important points of the law possible in 6 laminated pages. Suggested uses: Used by criminal justice majors and professionals Law students and legal professionals at any level To understand proportion and relevance within Criminal Procedure Quick and constant refreshers before classes and exams As the last review before taking the Bar Exam

What BarCharts are NOT: a comprehensive study guide. You cannot do well on a law school exam or bar exam relying solely upon BarCharts. That is not their purpose. What BarCharts ARE: a condensed overview of the black letter law. Use them as a quick reference to understand the material during the semester. Use them as a REVIEW of the material you (should) have already studied for the exam. In law school, BarCharts were the last thing I skimmed over before taking an exam. It's a good refresher. Same with the bar exam. I skimmed over my BarCharts both nights before the exam.

The Quick Study series is strong, with Criminal Procedure, Criminal Law and Constitutional Law

standing head and shoulders above the rest as the strongest laminates of the series. These cannot replace the actual text or class material, but they come close. More importantly, what they do remarkably well is to give you a general overview and guide so you can understand where the material is going. Similar to the artist's technique where you have to create a vague rough sketch to understand proportion and relevance, these allow you to understand the significance of minutia and detail in the bigger schematic. Also great refresher if you are return after a long time away and your own notes don't make sense anymore. For the gunners out there, the laminate surface also makes these perfect to buy a second set to keep in the kitchen or bathroom for those "leisure time" study sessions.

Great for last minute cramming! Got a B+ in this class. It really helped me organize my flash cards, I definitely recommend!

Excellent resource. Goes along with the resource on Criminal Law. Learn the terms and step by step process in a criminal process.

Brief but very informative.

Helpful quick source of review.

This is a great compliment to my class notes. It has a quick few lines about each topic, and the cases that gave the standard. Very useful when studying for my closed-book exam.
