How To Write Bar Exam Essays: Strategies And Tactics To Help You Pass The Bar Exam (Volume 2)

Synopsis

A must read for any bar exam student! ***** Everyone seems to have one part of the bar exam that they dislike more than the others. For some, it is the MBE; for others, the performance test. But, based on surveys of my Bar Exam Mind blog readers, the majority of bar exam students have the most trouble writing bar exam essays. *How to Write Bar Exam Essays* gives you a systematic and uncomplicated approach to writing quality bar exam essays. In addition to being systematic, this book is also a quick read. Most bar exam essay books are huge tomes that take days of struggle to get through. This is unfortunate because the most important thing you can do to ensure you will pass the essay portion of the bar exam is to practice writing essays. This book shows you how to practice the right way. *How to Write Bar Exam Essays* begins with a chapter discussing the right mindset for bar exam preparation. It is important to have the right mindset so you can handle the inevitable highs and lows you will encounter while studying for the bar exam. The next section of the book gets to the heart of the matter, discussing the four pillars of bar exam essay writing: (1) technical requirements; (2) issue spotting; (3) outlining and formatting; and (4) analysis. Each pillar has its own chapter, complete with examples. *How to Write Bar Exam Essays* includes a detailed discussion of practice strategy and scheduling to ensure that your practice time is well spent. You can follow this method to the letter or use it as a basis for creating a practice method that works best for you. ***** *How to Write Bar Exam Essays* is Book 2 in the Pass the Bar Exam Series. Be sure to check out all the Pass the Bar Exam books: Book 1 â *Bar Exam Basics: A Roadmap to Bar Exam Success*; Book 3 â *Bar Exam Mind: A Strategy Guide to an Anxiety-Free Bar Exam*; and Book 4 â *The Bar Exam Mind Bar Exam Journal*

Customer Reviews

I bought this because I tended to freeze up on essays. The book did not tell me any new tips or tricks; everything I already knew from law school and from my bar prep courses. However, I won't say it didn't help since any help regarding the bar exam was appreciated. I also didn't freeze during the exam so maybe it reiterated and solidified what skills I already knew; who knows. My advice would be to spend time reading or skimming this when your brain is too tired for retention studying. This is a better passive studying read. The font seemed a bit large to me (at least, compared to my regular study materials) so I read this at night right before bed. No matter how tired my eyes were, the font was large enough to read, without and without my glasses. Overall, if you are not sure about your essay writing ability, I would say this is a good investment because it may give you tips and tricks that you do not know. And the ones you do, it may help you hone in on those skills instead of doubting yourself. Anything to help you pass the bar exam is worth it!

Most of the information in this book is intuitive, but it bears repeating. The book is very short and notes the proper procedures for writing proper essays.

This is a good book if you have been out of law school for awhile and need a good refresher in IRAC and how to focus your essay for the bar exam. Also it helps you interpret what your essay graders are saying (commercial bar prep courses) when they assess your practice essays.

Matt Racine's book is short and to the point. He gets right to the strategy and does away with all the fluff. This book is easy to use as a play by play or week by week tool for bar prep.

This is a well presented step by step approach, without the needless fluff.

Great book. Very easy to follow and simplified analysis of the strategy of writing bar exam essays

Nothing earth shattering here. Cannot recommend.

Loved the book and the fact that i was able to get the book in a matter of seconds made it even better. Thanks Guys
