Customer Reviews

The creative force behind Atkinson Designs, Terry Atkinson is a former home economics teacher whose love of quilting morphed into teaching quilt classes at a local shop. That quilt-class beginning soon grew into a popular line of quilt patterns and the family-run business that is Atkinson Designs. When she's not playing with fabric in her sewing room, you can find her exploring the great outdoors in her retro Shasta camper.

Clever, original small projects. Many use fat quarters or can be made from stash fabrics. Some fun ideas for gifts.
