## Customer Reviews

I've always loved this piece, and find this printing to be very well done.

Interesting

This is a wonderful music piece of moderate difficulty, on good quality paper and easy to read. The title does not reflect the fact that this work is actually a number of variations of "Twinkle, Twinkle Little Star," which really appeals to children of all ages, even though it does not seem to be among the more well-known of Mozart's many compositions..

Beautiful piece. A great lesson for creative people. This also came with snippets of background information about the song and Mozart.
