I received it today and i was disappointed. It dose not look brand new! The edges not in good condition and the outer clear cover is scratched. Tho i have bought what i love about you notebook before and it was in great condition and well packaged! I received mine without any cover except the outer clear cover. I feel like i wasted my money, definitely i would not recommend this . See the pics!

This book is cute but can be a little cheesy. Its fun to fill out and great for anniversaries.

great gift
