Evangelist Mary K. Baxter was born in Chattanooga, Tennessee, and accepted Christ as her Savior at the age of nineteen. In 1976, while she was living in Belleville, Michigan, Jesus appeared to her in human form, in dreams, visions, and revelations. Mary was ordained as a minister in 1983 at the Full Gospel Church of God in Taylor, Michigan. The movement of the Holy Spirit is emphasized in all her services, and many miracles have occurred in them. From her Florida-based ministry, she travels the world telling her story of hell and her revelatory visits from the Lord. She has authored or coauthored a number of books, including *A Divine Revelation of Hell*, *A Divine Revelation of Heaven*, *A Divine Revelation of the Spirit Realm*, *A Divine Revelation of Angels*, *A Divine Revelation*

of Spiritual Warfare, A Divine Revelation of Deliverance, A Divine Revelation of Prayer, and The Power of the Blood.

There are very few people who have been blessed with the ability to see into the supernatural world to the extent that Evangelist Baxter has experienced. As a prayer warrior, it is helpful to see the effect of prayer on the enemy, and the effects it has on the holy angels as well. This is the third book of Baxter's which I have read. The only critique that I have is that Baxter uses the KJV, which translates the Greek word "diamonizomai" as "possessed by devils" (Mt 8:28). This translation suggests ownership by devils. In my opinion, it more correctly translated "demonized", which conveys the idea of torment and oppression, without ownership (So says Greek scholar Derek Prince in his book "They Shall Expel Demons"). Once we are Christ's we can no longer be possessed by the devil, but if we live in the flesh instead of the Spirit, we can certainly be oppressed. I'm looking forward to reading Baxter's book on prayer. Dr Cheryl Rickards

A very good book, very informative about the spiritual realm. Definitely recommend it, remember saints, the Lord says in His Word in Hoses 4:6 "My people are destroyed for a lack of knowledge" so get to know Him better daily and His ways, as well as the spiritual realm. And learn from what He has revealed others in their books, including Mary K. Baxter in this book. Definitely recommend!

One day, Jesus is going to break the Mt. of Olives in two, and I cannot wait for that day, but in due time there is preparation. Fast two-three days a week and pray in your prayer closets three times a day everyday. Keep the Jewish festivals; they get you blessed and remind you of Yahweh (God) and keeping the testimony of Yashua (Jesus) and working your salvation out through fear and trembling gets you to Heaven. What an uplifting book. It's eye-opening. John 20:29 Jesus saith unto him, Thomas, because thou hast seen me, thou hast believed: blessed are they that have not seen, and yet have believed. With God, all things are possible. The body is weak but the spirit is willing. Read from the word everyday, it fills you up.

Great eye opener. Amazing. Added so much to my knowledge of the spiritual realm that it added to the power of my prayer. I am experiencing great results through my prayer both for others and for myself.

I just love her books. The word was sent right to her from the Lord Jesus Christ through her writings.

This book has confirmed everything the Lord has been revealing to me in my spirit. It is very easy to read and comprehend. Just like her previous books, I finished reading it in one day. I had to remind myself to put the book down and eat. It's definitely a page turner.

This book is must for Christians! Once you accept Jesus as your Lord and Savior, this book will help you understand how things work on the spirit realm and how to use the protection Jesus left you. As a Christian you are to walkout your salvation daily and this book will teach you how the enemy will try to stop you from doing that. After reading this book you will recognize enemy attack and know how to stop the attack on the name of Jesus.

Mary Baxter presents the hierarchy of satans demonic army. She also shows the twelve realms of spiritual warfare. She shows that angels and demons have different levels of power and authority. From a practical view point, she teaches how to recognize demonic attacks and bind them and cast them away by the power of the name Jesus Christ.
