Early American Dolls in Full Color, The Creative Genius of Unsophisticated America

I purchased the book because Izannah's picture in the cover. The information about the dolls is accurate, good pictures, I only wish it could have more pages to have more to enjoy.

Very nice Book arrived on time!!!

Nicely done little book featuring some interesting Americana type dolls. Good for doll makers who want to reproduce these, or collectors.

the pictures were colorful and large enough to see details. However, I thought there would be more pages to the book.
