Customer Reviews

I think this will be helpful, however, it looks like it was published back in the 1950's.

love

great book and shipped fast AAAAA+++++

did not provide enough detailed information

Book is very helpful and packed with a lot of information

Has all the information that I required to switch to diamond for cutting gemstones. Great book.

Good book very useful.

Short, sweet and to the point magazine like article. Gives you the same info you can find from the internet in paper form.
