Customer Reviews

Jim Heimann is a graphic designer, illustrator, and educator whose previous books include California Crazy: Roadside Vernacular Architecture, also published by Chronicle Books.

A nice collection of Hula girls from tiki bars from all over. I had this set once before and was glad to find it still in print. Good quality cards and printing. A real find.

These cards are great. They include vintage postcards, vintage matchbook covers, love them all.

You won't find these pc's elsewhere. Best deal going, all cards are clean without all the nudity that is thrown at you these days when buying this type of product.
