A Companion For The Cowboy (Brush Creek Brides Book 2)

Synopsis

The Brush Creek Brides is a series of Christian western romance novels you can read in a single evening! This series features wholesome, uplifting, and satisfying "weeknight" romances. Weeknight romances: 3 bucks. 2 hours. 1 satisfying, uplifting, and romantic story. Cowboy and professional roper Justin Jackman has found solitude at Brush Creek Horse Ranch, preferring his time with the animals he trains over dating. With two failed engagements in his past, he's not really interested in getting his heart stomped on again. But when flirty and fun Renee Martin picks him up at a church ice cream bar--on a bet, no less--he finds himself more than just a little interested. Renee's living with her cousin in Brush Creek, having just graduated from college. She's not ready to be an adult, has no idea what she wants to do for a career, and generally wishes everyone would just let her figure things out. She starts working for Dinosaur National Park, which has an hour-long commute that she spends thinking about Justin. With a decade separating their ages, she comes to realize that they're from different generations. His Gen-X attitudes are attractive to her; her Millennial behaviors drive him nuts. Can Justin look past their differences and take a chance on another engagement? And if he does, will Renee be mature enough and ready for a serious relationship? Justin and Renee will have to figure out how to pray and how to listen to God to find a way to their happily-ever-after. The Brush Creek Brides series is a spin-off series from the bestselling Gold Valley Romance novel, *THROUGH THE MIST*, also by Liz Isaacson. Brush Creek Brides novels: 1. A Wedding for the Widower 2. A Companion for the Cowboy 3. A Bride for the Bronc Rider 4. A Family for the Farmer 5. A Home for the Horseman 6. A Refuge for the Rancher

Justin has a lot of bad memories to overcome as far as girl friends go. One leaves then another stands him up at the altar. Now along comes Renee who gets pushed into getting Justin to ask her for a date. After getting a date, she has to really work to get him to talking and getting to know her. He doesn't trust women so it gets off to a very slow start, but in time Renee finally succeeds. He takes her home to meet his family on Thanksgiving and things finally smooths out. However his sister in law told her she would have to ask him if she wants to marry him so she bough a ring and proposed and he accepted. Very unique story.

Renee Martin takes a dare from her cousin Leah and friends to ask Justin Jackman for a date. JUSTIN does not like Leah but he does need a date for an event so he asks her out. I think you will enjoy this story.

I enjoyed this story. A man who has been a two time loser in the book of love finds his soul mate but has trouble voicing his feelings. Of course, it all works out (which is why I read romance stories!)

I really enjoyed this book. The fact that the main characters were not perfect people made it more realistic. The usual bumps in the road were there, but they went by quickly and did not go into long drawn out subplots. A very refreshing light read.

Another wonderful book by this author !! Her story lines always have something that touches my heart....and I'm hoping to read many more books like this one.

The second in this series is just as great as the first!

I loved the book. It was very interesting. Liz Isaacson is one of my favorite writers.

Love everything I have read written by this wonderful writer. Her stories always make you feel good and happy. Hope you enjoy here books as much as I do.
