Toscana In Cucina: The Flavours Of Tuscany

Synopsis

The entire gastronomical civilization of Tuscany enclosed in 80 recipes. This is not simply a cookbook, but an authentic glimpse into the culinary art and culture of this regionâ "a voyage through images created especially for this volume by specialized photographers. There are traditional dishes, but also many recipes with creative touches, along with suggestions for food and local wine pairings.

Customer Reviews

After earning a degree in Documentary Photography at the University of Wales, Newport, Colin has since moved to Italy, where he works on a broad range of editorial and commercial assignments. Colin also undertakes personal work and long-term projects in collaboration with NGOs and educational organizations. His work has twice been exhibited at London's Photofusion Gallery and featured in the photographic press and on BBC television in the UK. His clients include: The Independent Magazine (UK), THe Observer Life Magazine (UK), BBC Television (UK), The Sunday Telegraph Magazine (UK), Le Figaro (France), Conde Nast Traveler (UK and Italy), Vanity Fair (Italy), Meridiani (Italy), Anna (Italy), Viaggi del Gusto (Italy), Saveur Magazine (USA), National Geographic (USA), Neon Magazine (Germany), Maxim Fashion (Germany), Lloyds TSB (UK), Comic Relief (UK).

I have spent a lot of time, and done a lot of eating, in Florence and Tuscany. "Toscana in Cucina:

"The Flavours of Tuscany" is one of the best cookbooks on Tuscan cuisine that I have seen, and I have seen a lot of them. The cuisine of Tuscany is very distinct from other parts of Italy, which are in turn very distinct from each other as well. There is a bias toward beef and pork in Tuscany as there is a bias toward seafood in Venice or pasta in Rome. I was very much impressed by both the book layout, the well selected photos of Florence and Tuscany, and by the authentic and well presented recipes. The recipes and choices of foods are spot on for traditional Tuscan cuisine. The book also includes a few fresh takes on modern Tuscan dishes. The text is in dual language Italian and English, side by side, so it's also a great learning tool for brushing up on your Italian for a visit. A lovely cookbook. RECOMMENDED.

Bellissima!!! After a wonderful trip to Florence and Pisa, I ordered this book. The book brings back all the wonderful imagery and tastes I so enjoyed during the visit. It is a perfect balance of the best and most memorable moments of a beautiful region of Italy. This is my third purchase in the series and I'm enjoying all of them!

Love the bilingual nature; english and italian. Many ingredients are not explicitly found in my grocery, but, oh well, I can find decent substitutes. Gorgeously illustrated with many color photographs of the region in Italy. Physically, the book is a first class item. Thick card-like paper. Clear type/ printing. Quality photographs. Good binding. Etc. Very glad I bought it.

Not as informative as Sicily in Cucina nor Calabria in Cucina. These latter two had more informative material on the area and better pictures of the area and food. But i did like the english beside the italian

I bought this book in Tuscany and enjoyed it so much that I bought 2 more on when I got home for friends. I found it to have authentic Tuscany regional recipes as well as a mini guide to the region. The pictures are great, but I would have liked reference titles to identify the food.

very visual

I bought this book as a Christmas present for a friend who had recently returned from a trip to Tuscany. I was pleased with the size of the book, the amount of and quality of the pictures. I think it was a lovely cookbook.
