Country Living Handmade Wreaths: Decorating Throughout The Year

Synopsis

Dress up a door, accent a room, and, of course, turn every season more festive: 30 elegantly photographed projects for seasonal wreaths throughout the year show exactly how wonderful these decorations can be. Brightened with colorful berries or pomegranates, lush with ivy, and fragrant with the scent of evergreen, each one pleases the senses. Easy-to-follow instructions make the entire process effortless.

Customer Reviews

Wreaths come in many varieties; they certainly need not be limited to Christmastime or to front doors. Handmade Wreaths is filled with fetching projects appropriate to every season and every room. Welcome the spring with a rosebud heart or a swag of pussy willow; usher in the summer with a circle of living herbs or a cloud of artemisia; celebrate the harvest with an array of Indian corn or country wheat; ring in the holidays with a wreath of jingle bells or ivy and pomegranates. The 28 projects are easy and good-looking, all crafted from readily available supplies. Some even pass up plant materials in favor of seashells, buttons, or gingerbread cookies. --Amy Handy

thanks for my order, it arrived in perfect condition

Great publication!

I was disappointed in this book. Although the book was in good shape and fast delivery. It was the content that was lacking. Which is the chance you take when you order a book without looking inside to see first.

I love this wreath book! The instructions are well written and easy to understand, but the photos - ah - the photos! The photos elegantly, yet simplistically illustrate each and every wreath in the book. The book also adds in variations you could do to some of the wreaths. It's a keeper!

I have never made wreaths before, so I enjoyed that this book gave great basic tools for starting and explanations of the wreath elements. The book has wonderful ideas and explains clearly how to make each wreath.
