A Guide Book Of Washington Quarters

Synopsis

A Guide Book of Washington Quarters, 2nd edition is an in-depth study of our nation's most popular modern coin. It features the colorful historical research that readers expect from Q. David Bowers (the dean of American numismatics), including a biography of the United States first president, the early years of the quarter dollar, and the history of the Washington quarter series starting in 1932. Bowers shares secrets of being a smart buyer in today's market. He analyzes each coin, year by year, from 1932 to 1998, and focuses a comprehensive section on each quarter from 1999 to date. Full-color illustrations, current market values, a grading guide, and an appendix on the American the Beautiful silver bullions coins add to the book's reference value. This is a must-have for every collector's library. 352 pages 6 x 9 inches Softcover Full color

Customer Reviews

The Guide Book of Washington, State Series, and National Park Quarters is an in-depth study of our nation's most popular modern coin. It features the colorful historical research that readers expect from Q. David Bowers (the "dean of American numismatics"), including a biography of America's first president, the early years of the quarter dollar, and the history of the Washington quarter series starting in 1932. Bowers shares secrets of being a smart buyer in today's market. He analyzes each coin, date by date, from 1932 to 1998, and focuses a comprehensive section on each state quarter from 1999 to date. Certified and field populations, historical and current market values, and auction records add to the book's reference value.
