Heaven or hell? Over a period of forty days, God gave Mary K. Baxter visions of hell and commissioned her to tell all to choose life. Here is an account of the place and beings of hell contrasted with the glories of heaven. It is a reminder of the need each of us has for the miracle of salvation.

Evangelist Mary K. Baxter was born in Chattanooga, Tennessee, and accepted Christ as her Savior at the age of nineteen. In 1976, while she was living in Belleville, Michigan, Jesus appeared to her in human form, in dreams, visions, and revelations. Mary was ordained as a minister in 1983 at the Full Gospel Church of God in Taylor, Michigan. The movement of the Holy Spirit is emphasized in all her services, and many miracles have occurred in them. From her Florida-based ministry, she travels the world telling her story of hell and her revelatory visits from the Lord. She has authored or coauthored a number of books, including *A Divine Revelation of Hell*, *A Divine Revelation of Heaven*, *A Divine Revelation of the Spirit Realm*, *A Divine Revelation of Angels*, *A Divine Revelation of Spiritual Warfare*, *A Divine Revelation of Deliverance*, *A Divine Revelation of Prayer*, and *The Power of the Blood*.

I've studied the Holy Bible for the past 15 years. This book lines up with Scripture. After the Holy Bible, this book is the most life-impacting book I have ever read - to me it was life-changing in the first degree. Many many thanks for Ms. Baxter joining Jesus on this very difficult tour and having the courage to write about her experiences for the benefit of all people in these last days. I hope everyone reading this review are on the edge of their seats with an attitude of expectancy. Jesus is surely coming at any moment for His perfect Bride, the church who is ready and waiting for Him with their lamps full of the oil of the Holy Spirit, in excited anticipation. It is going to be much harder for the lukewarm church - those now wedded to this world and its entertainments - to make Heaven after the Rapture. For the most part, only those tortured and killed by the Antichrist for not accepting the mark of the beast will make it there. May the Holy Name of Our Saviour Jesus Christ be forever praised !!! This book was very intriguing. It was as if you were on the journey with her minus the terror of being left in hell without the Lord. It made me feel as though I do not want to do anything to cause me to be sentenced there. She mentioned the horrible smell, the darkness, the souls that were confined to punishment crying out to be released. She even mentioned some of the works they did on earth that caused them to end up there like worshiping Satan and him promising to give them a portion of his kingdom only to be deceived by him because he shares nothing. Check it out, I know people say they don't want to be scared into getting saved but it is better to be scared and get saved than deceived and go to hell.

I got this book from my older brother as a birthday gift. I wondered to myself, why he chose to give me this hell titled book as a birthday present!!! Once I opened the book and started reading it, I could not put the book down (it was on a Saturday) and I stayed up late until I read the very last page. I love the book because it is not just about a woman's experience as she is taken to hell and escorted by Jesus but that her accounts are biblically sound. Some people may read it and be very skeptical about her experience, but I don't see where it contradicts scripture, and I don't sense any contradiction in my spirit. After reading this book, I had a new zeal for evangelism. The summer I read this book, I was able to witness on the bus and persons who were on the streets and see them give their hearts to the Lord without much effort on my part - just the Holy Spirit at work. God created hell for Satan and the fallen angels but those who chose to deny Christ in their lives, have the same fate. God wishes that we chose the salvation He provides with hope for a wonderful future

destination - heaven and not hell. I wouldn't wish my worse enemy or the worse human being on earth to go there. I prefer if they repented and serve God the remainder of their days. There is a story she shared in the book that I never forget. It is about a woman, a lay preacher whose husband cheated on her and confessed it to her asking for her forgiveness. She would not forgive her husband or even ask God to help her forgive. Her unforgiveness grows and darkens her heart to the extent that she grew bitter enough to commit murder of her husband and the woman he cheated with and killed herself. She went to hell. It was sad reading it because, she didn't forgive. It is a strong message on forgiveness - even if the person didn't ask for forgiveness. Forgiveness is key to help us free ourselves from deeper evils of the heart. The book is well written and is an easy read. You won't see hell the same way after reading it and you will have more compassion for souls to motivate you to be a better witness for the Lord.

The body Of Christ needs to hear more of this type of message than the current anything goes...feel good all the time...prosperity centric focus sermons that seems to plague so many of our pulpits. We need to heed the call to holiness and understand that our sins have consequences. I have read this book 3 times and each time I walk away with a newer understanding of biblical things and Gods Words. It has answered some questions and clarified some other thoughts I have had. I do believe the recorded experience by the author is real and scriptural. Its ultimate message of a call to repentance and concentration to a life to holiness is one that continues to take the forefront since sin entered our midst. Yeshua (Jesus) is coming back sooner than we think and we must be like the 5 virgins who had their lamps filled with oil (Holy Spirit) and ready to go unlike the other 5 who were not and LEFT BEHIND. Hell is real folks and arriving there only to find out it is real is too late! Now is the time to get right with Yahweh (GOD) while you are still on this planet alive...and make Yeshua your personal savior.

IF YOU WANT TO SEE WHAT HAPPENS IN HELL- READ THIS BOOK ! EVERY FEW PAGES YOU WILL THROW THE BOOK DOWN AND CRY OUT TO JESUS TO SAVE YOU FROM ETERNAL DAMNATION! THIS BOOK IS SO HARD TO READ . I KNEW ABOUT THIS BOOK IN THE 1990S AND TALKED TO THE AUTHOR ON THE PHONE...ITS REAL- SHE WAS IN HELL AND HEARD THE CRIES AND SAW THE BURNING PITS OF FIRE AND HEARD THE LOST TELL THEIR STORIES OF WHY THEY WERE THERE.JESUS HAS THE POWER TO SAVE US-ITS A FREE GIFT... 'LEAST ANY MAN SHOULD BOAST"... (THAT THERE OWN GOODNESS IS ENOUGH TO GO TO HEAVEN }JESUS SAYS "EVEN THOSE WHO CALL ON MY NAME

SHALL BE SAVED".JESUS WHO PAID THE DEBT FOR OUR SINS ON THE CROSS WILL TAKE OUR SINS AND PUT HIS RIGHTEOUSNESS OVER US.READ THE BIBLE AND BELIEVE.I ALSO RECOMMEND "HEAVEN IS BEYOND YOUR WILDEST EXPECTATION" and "WITHIN HEAVEN'S GATES ".
