Customer Reviews

Goodness, these 50-pg previews are gonna be the death of me! Those past 3~4-page previews (where 2 of them consisted of cover art + reading instructions) were easy to dismiss since there wasn't enough material to pique my interest, but these newly published ones...they hook me and make me fork over the \$\$ to satisfy my curiosity, haha. This comic, beautifully drawn by Ms. Ichiju, is a sweet story in which there weren't any conflicts between the H & h, for a change. A soothing and delightful read!

I like the start of this story and it was interesting, but I felt then ending rushed and lacking a bit.
