Free Books For History Lovers: 400 Free, Downloadable History Books For You To Enjoy (Free Books For A Quick Download Book 2)

Synopsis

WELCOME to a treasure chest of FREE books on History from ancient times to the First World War, presently available on ! In this book, you will have free access to over 400 scholarly and literary works, relating to almost every period in Western and Middle-Eastern History. The books have been organized according to major historical periods, as they would be in any major Western history text. Each title is linked with the page where the book is offered. Simply click on the title that interests you and then download it to your Kindle or computer. May this collection keep you enthralled for years to come!Mike Caputo (Educator and Editor)IMPORTANT FOR KINDLE USERS: All links have been tested and have been found functional. If you experience any difficulty downloading directly from the links, simply search for the titles using the "search" page (scroll down to Kindle Store) and then download at no charge. If the first approach will not work, the second will. Either way the books will be FREE!WHAT OUR READERS SAY"Fascinating." (S.F.S. reader)"A History readers' delight." (customer)"Great For Historical Knowledge." (C.E. reader) "Great books. I am glad someone took the time to curate this." (Adam, reader)"I love all of the older history volumes available on .This is a well constructed list..." (C.B. Reader)"...a good resource..." (A.A. Reader)"A fine list of free history books for the Kindle on ."(Kindle Customer)"Would and do recommend to anyone who spends way too much time as I do, looking at books." (Kindle customer)"Great information here." (Kindle customer)"A great selection for research and reference. Many interesting books on multiple topics that were written as it was happening, not a researchers opinion of what they think happened way back when." (Kindle customer)

Customer Reviews

To make the ancient historical sources (Tacitus, Svetonius, Tukidydes, Flavius) available free of charge to everybody interested is simply a genial ide. I give readily 5 stars for this. To make it impossible to read on Kindle was really disappointing - one star. $(5+1)/2=3..$

It is a bunch of direct links to free history books "sold" on . They are grouped into categories such as WW I, Middle Ages , making it easy to browse what you're looking for.I find it helpful because otherwise I'd be wasting time and perhaps paying for a book when a just as good or better one is available. I like that the old books aren't written in PC terms. Being an adult I can deal with it. People are so PC these days you sometimes get vague or watered down accounts. Wish we could be trusted to understand the context and times things were written. Would and do recommend to anyone who spends way too much time as. I do, looking at books.

Links to books are broken -- ALL OF THEM. No books to read. WTF. Please will you fix this now.

A fine list of free history books for the Kindle on . The title and links are provided for each one. The list begins with World War I and goes back in time to ancient times. If you love reading history, this will help you locate and download many free Kindle books you will want to read.

Can't access the books. Nice idea if it were functional.

I found the listing interesting and can use a few of these books for my Ancient and Medieval History classes that I'm teaching. Many of the listings aren't useful at this time, but may be in the future.

Not that great, but free.

The books are all older but still good to read.
