Customer Reviews

Hopi Kachina Dolls with a Key to Their Identification by Harold S. Colton.

I recently purchased an older Kachina doll, my first, because it had (squash blossom)Hopi maiden hair. Colton's book has some pages of colorful photos of modern Kachinasbut also provides many pages of line drawings of Kachina doll heads with descriptions ofeach Kachina's typical clothing and accessories. There are also sections depicting specific features such as eyes, hair styles, noses, etc. Colton's book enabled me toidentify my kachina doll - Kokopelli's female counterpart.

This is NOT a coffee table picture book. But it is a GREAT book for serious collectors, artists, and anyone interested in learning to identifytypes, meanings, principle features, meaning of details and colors , etc. Consists of line drawings and details of 266 different kinds of HopiKachina dolls.

Just what I was looking for

love the images and info and the price

excellant
