Customer Reviews

In the fifty years since his death, Vaughan Williams has come to be regarded as one of the finest British composers of the 20th century. He has a particularly wide-ranging catalogue of works, including choral works, symphonies, concerti, and opera. His searching and visionary imagination, combined with a flexibility in writing for all levels of music-making, has meant that his music is as popular today as it ever has been.

This is another setting by Vaughan Williams of the Shakespearean text, one for low to middle voice, also very lovely. I will use both settings in an upcoming recital.

best service, patient. suit for this price . delivery on time receive it next day , i need it , Super product, great handle. Ordering another!
