Martha Stewart's Cakes: Our First-Ever Book Of Bundts, Loaves, Layers, Coffee Cakes, And More

Synopsis

A one-stop resource for cakes--birthday, chocolate, coffee, Bundt, upside-down, loaf, and more. From pound cake and angel food (with many variations) to genoise and streusel-topped, from comfort classics like red velvet, six-layer coconut, rich chocolate, lemon meringue, and cheesecake to sophisticated grown-up fare including chiffon cakes and tortes with luscious fruits, these 150 recipes and color photographs cover techniques, decorating, and gifting ideas for every taste and occasion, whether no-fuss or fancy. Baking trends come and go, but cakes are timeless. From the editors and photographers of Martha Stewart Living, *Cakes* includes classics (German Chocolate, New York-Style Cheesecake), crowd-pleasers (Baked Alaska, Hummingbird), and cakes with unique, sophisticated flavors and embellishments (Pecan Torte with Lemon Curd, Saffron-Scented Pear Upside-Down Cake). Whether you need a birthday cake (for any age!), have bake-sale duty, want a travel-friendly coffee cake, or seek to impress at a dinner party or with a handmade gift, Martha Stewart's *Cakes* has more than 150 cakes plus ideas for decorating, gifting, and storing. Beautiful color photography that shows you just what you're aiming for and dozens of make-ahead tips make baking low-stress.

MARTHA STEWART is the author of more than 75 books on cooking, entertaining, crafts, home-keeping, gardens, weddings, and decorating. She is the host of Cooking School on PBS. For more than twenty years, the food editors and chefs in the kitchens at MARTHA STEWART LIVING have produced dozens of bestselling cookbooks, including Martha Stewart's Cooking School, Martha's American Food, Martha Stewart's Cupcakes, Everyday Food: Great Food Fast, and Power Foods.

Beautiful photos and clear instructions. In addition to the recipes for cakes and frosting, the book has lot of valuable tips. It just arrived today, so I haven't made any cakes yet, but I can tell you, there are many I am longing to slice and eat!

Great recipes, love it best cake book

Alot of great recipes

I've made the citrus poppy seed and the maple cake thus far. Both were superb. I believe that these recipes are extremely well tested and fine and well researched examples of their type. I did not give this five stars because it is very awkward to use as an ebook. The photos are not very good in this version. The existence of blank pages and the structural problems make me wish I'd bought this as a traditional book, not as an ebook.

Recipes are miscalculated for measurements and flavor. Example: original pound cake calls for 1 tsp. salt. the chocolate/ vanilla pound cake says to make the original pound cake as a base. The instructions are to omit the salt till the end then add 3 tsp. salt. Wish I caught this screw up. Had to throw the entire thing out, what a waste of 9 eggs and a pound of butter----way to salty. The recipe for the orange cranberry tea cakes are so bland. Two recipes in a row-that were not good. Would not recommend this book. I still fall back on my 1978 Good housekeeping cook book-made over 100 items from this book and they all turned out great.

One of my go to cake cookbooks.

prefer hardbound but love the recipes and layout..

I first checked out this book from the library and there were so many cakes that I wanted to try that I had to purchase it. While my first cake (Carrot Cake) was a flop for me (not Martha's fault), it came out beautifully for my sister-in-law. (I blame it on ME and a new over, new dark cake pans and overcooking).I plan to try several other recipes as well. It would make a lovely gift as well. The artwork is so lovely too.
