Customer Reviews

Jughead is the most interesting character in the series. He's a mystery, and his backstory is slowly revealed. He's a great addition to the team, and his powers are really cool. He's a great character to read about, and his story is really interesting.

A nice update to the classic Archie formula and strangely feels right. The art is top notch and Waid's characterization of the characters is nicely subtle

The story and art for this Archie reboot is fantastic. I haven't picked up a Archie comic in years and now I can't wait for the next issue to come. Bravo.

Still intriguing and worth reading. The slow build may seem tedious but it's nice to know more about the characters

i think this is an archie for the new generations just like it was chance from the old to my generation

It was an awesome and amazing book and my brother also loved it as well and he gave it a five star rating

What can be said, the triangle of the ages begins here. Bighead is a lot cooler here than he was in the old days.

Story wasn't as catchy as othersVeronica is begining to set up rich bitch persona which she has only had sporatically in the past. I had there will be room for improvement.
