Customer Reviews

If you like crumb and you like old timey music, or maybe you're just a lindy hopper, these are beautiful. Crumb does a great job giving one more image for some artists who we hardly have any images of (like tiny parham who is how I got to this product in the first place). I give these cards away as small gifts to jazz lovers too.

This is a very fun collection of Jazz trading card set to review for any fan of Jazz or any person who love these kind of trading card set.

A+++

As above, this was a great gift. CR
