The Schubert Song Transcriptions For Solo Piano/Series II: The Complete Winterreise And Seven Other Great Songs (Dover Music For Piano)

Synopsis

Of the many piano transcriptions Franz Liszt made of the works of other composers, those he made of the songs of Franz Schubert are among his most inspired. This volume contains the legendary pianist's twelve transcriptions from Schubert's great song cycle *Winterreise*, along with the four songs of *Geistliche Lieder* and the beloved single songs "La Rose," "Lob der Thränen" and "Die Forelle." These rare transcriptions offer a unique blending of Classical inspiration with Romantic virtuosity. Here, Liszt retained the intense lyricism and emotional impact of Schubert's songs as he transformed them into dazzling compositions for solo piano. For generations, pianists and their audiences savored the rich rewards of Liszt's memorable achievement, even as the long-awaited publication of this Dover volume, nineteen rare gems of the keyboard literature are once more available, reproduced from extremely rare early editions.

Composer, conductor, and teacher Franz Liszt (1811-1886) was renowned throughout Europe for his skills as a concert pianist. The quintessential romantic, he created an extensive and diverse oeuvre that ranges from influential experiments in musical form to more conventional pieces as well as transcriptions of works by other composers.

The quality of paper and printing like "garbage". Very very hard to read.

My favorites are *Wasserfluth*, *Gute Nacht* and *Tauschung*. As always this is a great Dover edition. The notes are not too small and the print is very dark. The book lays open well on your stand. Next to each song in the book there is the full length poem that inspired it. If you are a serious pianist and are interested in playing Liszt's transcriptions of Schubert's lieder songs I know you will get a lifetime of enjoyment out of this book. This is the only version that I believe is available of Liszt's *Wintereisse* and it's at a great price on .
