Edvard Grieg Piano Concerto In A Minor Op16 Book/Online Audio (Music Minus One) (Music Minus One (Numbered))

Synopsis

(Music Minus One). Performed by Milena Mollova, piano Accompaniment: Plovdiv Symphony Orchestra Conductor: Nayden Todorov One of the most enchanting and popular piano concerti ever written, this is for many the epitome of nineteenth-century Romanticism, showing the great influence of both Schumann and Liszt, as well as Grieg's own fascination with Norwegian folk melodies. This concerto is less demanding than many of the big Romantic concerti, and more accessible to the serious student. The recording features renowned European powerhouse Milena Mollova in a complete reference version, then you take center stage with the Plovdiv Symphony Orchestra under Maestro Nayden Todorov for your own brilliant performance! Includes a beautiful, newly engraved printed music score, edited with new fingering suggestions from Ms. Mollova, and with informative liner notes. Each book includes a unique code giving you online access to the beautiful recordings, voluminously indexed for your convenience, containing a complete version with soloist, then a second performance of the orchestral accompaniment, minus you, the soloist. The audio is accessed online using the unique code inside each book and can be streamed or downloaded. The audio files include PLAYBACK+, a multi-functional audio player that allows you to slow down audio without changing pitch, set loop points, change keys, and pan left or right.

Book Information

Series: Music Minus One (Numbered) (Book 6006)

Customer Reviews

Accompanying CD includes versions with and without piano

Like the description says, the sheet music in this book is prettily engraved on high quality paper and is very nice to use. The recordings are great to practice with and listen to, and I like Mollova's interpretation. Since the spine is stapled, though, you're probably going to need to use other books or a stand to hold the book open while you practice, like me. Another problem is the limited fingerings that this book provides. However, those are minor issues and I highly recommend this version of Grieg's beautiful concerto!

Nice product for study and for a beautiful evening with friends :) The sound of orchestra is very good. Thanks!

Recording it self was pretty good. However the book came along with the recording had a really loose staples which poked my finger to bleed pretty bad. Also some pages were out of order!
