Farm Animals

Synopsis

75429 Farm Animals Country critters make cute collectibles or playtime pals. Crochet all 6 with medium weight yarn plus novelty accents. Designed by Jessica Boyer, the animals range in height from 4.5 to 9 inches tall, starting with the friendly mouse and progressing to the pig, chicken, sheep, cow and horse. Each design is for Easy+ skill level and is stuffed with polyester fiberfill. Safety eyes are used to make the toys suitable for infants and young children, or the eyes can be embroidered. Kids of all ages (or anyone who is a kid at heart) will love these animals!

This pattern book is great for beginners and more. All the patterns are easy to understand and follow. The cow, chicken, and pig are really cute! The mouse is okay but the lamb is very weird looking. I am currently making the chicken. With the size F hook, as the directions say, the chicken is larger than I expected. I made the whole thing in one evening! I suggest using beans to weigh down the bottom of the animal and then the fiberfill. It made my chicken sit better.

This is a beautiful, detailed pattern book for crocheting. The directions are clear and concise. I like

that the individual elements for each pattern are clearly labeled, for example: the wing on the chicken. I am looking forward to making each of the five critters contained in this book. There are even skill levels indicated with each pattern.

Love this book so much. I have already made many babies from this book. Nice job!!

Great, fast services

Very cute.

I gave this book to my roommate who is an avid crocheter. She loves it, so I'm happy.

I spent way longer than I wanted to find a chicken to make for my daughter, then like magic this awesome pocket book appeared #The patterns are clearly written and the directions easy to follow. Even better most projects seem to whip up in just a few hours! Great book with great patterns. Awesome for beginners

This little book is packed with the cutest farm animals to crochet, the instructions are clearly written and pretty easy to follow. They make cute decorations to a bow when gift wrapping packages for children. My grandkids love them. They also make a thoughtful addition to tuck inside children's hats or blankets when making for the needy and homeless shelters. They've also encouraged a couple of my Granddaughters to learn to crochet!
