TUNISIAN Crochet - Vol. 1: Basic & Textured Stitches (TUNISIAN Crochet Stitches) (Volume 1)

Synopsis

The Tunisian crochet technique is very popular among a lot of crocheters. In addition to the basic stitch there are a variety of patterns with an interesting surface. Many of them look like knitted. Learn the basics of this technique in the introductory part and further explore a lot of possible stitch combinations. All patterns are explained in detail. A lot of pictures help to show where to insert the crochet hook. In addition each stitch pattern is given in a clear crochet diagram.

Customer Reviews

I am enjoying it very much!

I purchased the book because it is one of the few that graphically shows you where the hook should go to get the stitch, by drawing lines on the picture instead of a picture of the hook already placed or a picture of the finished square leaving you to guess what was done. I just wish there were more pictures with the lines with each pattern so that I wouldn't have to keep flipping between pages and that the line color was appropriate for the yarn color so that it stood out more. I also wish the page count noted in the store was correct. There are 50 patterns, each has 1 or 2 pages to it, so there are over 60 pages instead of 32. That said, I am hoping that she is still planning on translating volumes 2 and 3 to English because I am interested in them.

Excellent way to have all the basic tunisian stitches in one book. Very helpful pictures and explanations.

Not a big variety of patterns and the instructions could be better. Ok if you are already vaguely familiar with Tunisian crochet

Pictures are blurry and not that useful.

Easier to read than other books/crochet books I have gotten.

Good tutorial.

A+
