Amigurumipatterns.net is a website that contains amigurumi patterns created by designers from all over the world. Joke Vermeiren started collecting patterns on amigurumipatterns.net and compiled this book with care. She enjoys picking up a crochet hook on a quiet winter evening. She lives in Belgium.

This is the sixth book in a series of animal amigurumi books which feature patterns by a variety of artists. This is my second book in the series and I will certainly be picking up some of the others.

The animals in the book are really cute. The designs include patterns for the following: Anita the Cow, Bo the Panda, Carlos the Hummingbird, Manu and Brigitte the Dachshunds, Mortimer the Mammoth, Oswald the Owl, Txerri the Piglet, Bernard the Bear, Shawn the Shark, Rudy the Red Panda, Woo Ri the Lion, Cedric the Sloth, Alvin the Hedgehog, Kimi the Kitten, and Anna the Swan and her baby Peter. My grandson is enamored of the Kung Fu Panda, so I do both of the Pandas first. Each pattern is so cute, I know that I will want to make each of them at least once. There are really good instructions included. I really appreciate that each pattern is marked with a skill level. I've been crocheting for decades but have only picked up amigurumi in the last five years. I consider myself an advanced crocheter but with intermediate skills with these little creatures. I look forward to the challenge of the more advanced patterns. The yarns for each design are listed but those are really just guidelines. I generally find a yarn that I like and stick to the brand throughout the series of projects I want to group together. If I just a different weight of yarn, it will have its effect on the hook size I use, the amount of yarn I use and the size of the finished project. The instructions are provided in US crochet terms (utilizing the term sc or single crochet) but it is very easy to find a conversion chart for those who use UK terminology.

I'm loving the new patterns

I have all of the Zoomigurumi books and I think they get better with every edition. I've made only the bird, the red panda, and the pig so far, but I want to make them all! The patterns are clear and easy to follow containing many pictures of the steps taken. I'm very happy with this purchase!

It's Zoomigurumi! What more do you need to know. Fun Stuff.

Easy to follow and good size!
