This is a beautiful collection of challenging and medium challenging songs. It has some UIL grade one and some grade 2. What is especially nice about this is the online accompaniment. It is well done, easy to sing along with and simple to download.

Love the selection of songs in this collection.

The seller was very honest about the quality and I couldn't be happier with the product! I really appreciated the email from her to make sure I had the full understanding of what I was buying
