This is a really cute comic for an awesome mini-series.

such a good series..... im def buying everything.....

My wife loves it.

If you love the show you'll love the story. Plus there's original sheet music included! Just remember while reading that this is an addition to the adventures experience by Witt and Greg after meeting Beatrice; it is not an original storyline.

How Wirt and Greg got into Charity. Over the garden wall is my favorite cartoon and series. Should get to read.

This series starts off with an quick unrelated "dream" adventure featuring Greg and a village with a cat problem. Then shifts to a continuation story of the Miller's Daughter in her attempt to return to her father. I found this story to be quite adorable and leaving me wanting more, it is a shame these stories are so short.

Since I loved the miniseries, I adored this comic companion as well. Not quite what I was expecting, but I still very much enjoyed it.

Just finished watching the show for the second time since it came out and I'm loving the comics!
Give it a try!
