Customer Reviews

Once again Sons of Ares manages to top itself. Razor duels! Zombie-like creatures! BABY SEVRO!! And he's playing with a lucky wolf's paw in one panel. Awww... We also meet Quicksilver for the first time, which is cool. And the last panel sets up a big conflict for Fitchner. Four stars because the artist made some odd choices. Still, as always, can't wait for the next one.

Same review as issue #3: I'll never be a fan of the artwork, it's just not my style, but I love the additional detail about Ares. Here, we see the beginning of the relationship between Fitchner and Quicksilver. Ready for issue #5!

Read the small print - this is a picture book - prefer text novels - not movies or comic books

It is in comic book format that does not display very well on my kindle paperwhite
