Quite interesting. As I sit like an addict waiting for their next fix, this book was read very hungrily. Facts were very interesting and fun. A good read for any Game of Throne fan waiting for the next episodes to start.

I liked the photos but I dislike reading words that are spelled wrong. Who edits these books? I really expected more depth and I feel the author is just riding this horse without putting anything of effort into it. Some sentences make no sense.

Lots of interesting things for fans of the show. Enjoyed the short time it took to read it. Good trivia.

It is interesting, but sadly these facts are all over the Internet, already.

Not as informative as I had hoped. Writer needs spelling/typing lessons

NOT WHAT I EXPECTED, BUT RATHER INTERESTING

Interesting but not that interesting.

interesting facts for fans of the series!
