# Q&A Learners Licence Self Test

## Synopsis

Through many years of working with Learners Licence applicants, I have found that there are many differences and misinterpretations between Learners Licence tests and study material. This publication has been based on an accumulation of years of study of such material; it sets out concisely yet comprehensively, the knowledge and hints I have found to be most effective in helping students to pass their Learners Licence test. Most of my students use the information provided here and pass the learners licence test first time round.

**HINTS AND ESSENTIAL FACTS:**The first section of this study guide lists, in a nutshell, the essential theory behind the Learners Licence Test compilations.If this is your first encounter with the Learners Licence study process (and even if it isnâ™t!), this section will help you get familiar with a concise summary of the âˆ^need-to-knowâ™ facts on which the Learners Licence Tests are based.

**TEST PROCESS:**The second section of this study guide comprises the entire range of questions covered in the various Learners Licence Test booklets.It is presented in a Self-test format, to help you get familiar with the type of test you will encounter when you write your Learners Licence Test.Go through the Self-test process repeatedly âˆ“ until you are familiar with the answers to every question, testing your knowledge of the Rules of the Road, Road Signs, Driving Protocol, and Control of the Motor Vehicle.Once you sail through this Self-test, you have an excellent chance of passing your Learners Licence test first time around!

## Book Information

File Size: 988 KB

Print Length: 32 pages

Publisher: D and A Publishers cc (October 8, 2012)

Publication Date: October 8, 2012

Sold by:Â Digital Services LLC

Language: English

ASIN: B009NWL25I

Text-to-Speech: Enabled

X-Ray: Not Enabled

Word Wise: Enabled

Lending: Not Enabled

Store > Kindle Short Reads > 45 minutes (22-32 pages) > Education & Reference

## Customer Reviews

The book was incomplete, the pages and images did not align well and there were obvious errors. A waste of time/money.
