Product Dimensions: 5.2 x 0.8 x 7.8 inches

Shipping Weight: 13.6 ounces (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars 15 customer reviews

Best Sellers Rank: #167,721 in Books (See Top 100 in Books) #23 in Books > Education & Teaching > Test Preparation > College & High School > Regents #72 in Books > Teens > Education & Reference > Study Aids > College Entrance #210 in Books > Education & Teaching > Higher & Continuing Education > Test Preparation > College Entrance

Customer Reviews

not so many tools

Don't be misled, as I nearly was, by the September 2000, the first, review below. The book I just got is 2005 copyright and even includes the June test of that year. It compares favorably with Kaplan and Princeton, five years (!) more current than the first and two (by copyright, but more than that on the inside) than the second. Princeton's better in one respect: its large format allows it to be used more easily as a workbook (Venn diagrams, outline, even lined pages for notes) but it has only three actual exams, June, August 2001, January 2002; Barron's has these and the succeeding seven! If you've got the money, it might be best to get both Barron's and Princeton and use what extra material (the analysis and two practice exams) the second has as an introduction in the tenth grade, and use Barron's in the eleventh. My last favorable comment is on Barron's conversion charts, translating the 1-6 rubric back to the 0 to 100 grid. Ah, the old days: a different rubric, but still with

Barron's under the elastic bookstraps on the subway! Forty years ago (for this reviewer) and still the best today.

Outdated for the current regents exams (the ones last year and beyond) and especially for the new ones that are starting in 2016. However, I used it in my English class for the multiple choice sections- because that part of the test hasn't changed. If students know how to write a SS DBQ, they will understand how to do the new essay requirement.

Buy with review book.

Just what my daughter needed.

Excellent book

Never mind did receive item. in perfect condition.

meets requirements
