Rimsky-Korsakov - Concerto In C-sharp Minor, Op. 30 & Arensky - Fantasia On Russian Folksongs: Music Minus One Piano Deluxe 2-CD Set (Music Minus One (Numbered))

Synopsis

(Music Minus One). Together in one package Music Minus One brings you two of nineteenth-century Russia's greatest works for piano and orchestra, Rimsky-Korsakov's Piano Concerto (1883) and his protege Anton Arensky's Fantasia on Russian Folksongs for Piano and Orchestra (1899). Both of these short concerted works are single-movement fantasias on Russian folk themes filled with the thunderous orchestration and big Russian sounds one associates with Imperial Russia. Both of these works present a perfect opportunity for the pianist or advancing student who wants to tackle a big Romantic-era concerted work but may not be ready for the full-scale concerto. With their relatively short lengths and only moderately-difficult piano parts, they give the thrill of full-scale performance with significantly less investment than would be otherwise possible with longer works. This Music Minus One edition includes a CD containing the complete performance of the concerto in digital stereo; a second digital stereo version of the concerto minus the soloist, voluminously indexed for ease of practice and performance; and a fully annotated score especially prepared for this MMO release, printed on high-quality ivory paper with informative liner notes.

The music notes in the book were small and it was hard to study the pieces. There were also no fingers on them to help you out. The interpretation of the pieces included in the cds are not the best you can find. However, they are helpful since they have the pieces divided in several tracks. Consequently, cds can go along with your study.
