Nancy Y. Trowbridge has built a collection of more than 1,700 Christmas theme pins which she carefully researches and enjoys wearing for the holidays and throughout the year. Had sold a few of my chrome and painted tree brooches on Etsy. A couple of the purchasers had seen my trees listed in this book. Was so happy to get one finally. Had waited as I knew there were 2 books available on tree brooches and didn't want to buy the wrong one. It was so many years ago

that I had lost any information I had on the writer of this book. One of my buyers on Etsy gave me all the info I needed to get the right one. She has both and says this is the BEST of the 2 different books available on . If you need one of my designs just go to Etsy.com and search Amazingchrome in the store title. It will bring up my store full of many designs I make. I'll list more tree designs for the season in early November. My prices there are AMAZINGLY low for handmade work. I don't sell on yet unfortunately.
