Gene Luen Yang began making comic books in the fifth grade. He has since written and drawn a number of titles. His 2006 book, *American Born Chinese*, was the first graphic novel to be nominated for a National Book Award and the first to win the American Library Association's Michael L. Printz Award. It also won an Eisner Award for Best Graphic Album - New. His 2013 two-volume graphic novel, *Boxers & Saints*, was nominated for both the National Book Award and the LA Times Book Award. Gene currently writes the graphic novel continuation of the popular Nickelodeon cartoon, *Avatar: The Last Airbender*. *The Shadow Hero*, his comic book series with Sonny Liew,

revived the Green Turtle, an obscure 1940s character who is arguably the first Asian American superhero. The Shadow Hero is now available as individual digital issues via Kindle.

My grandson loves these books. He's watched the DVDs over and over. He is dyslexic and graphic novels like this are easier to read. He told me in the few weeks he has been reading them his speed has increased significantly and he is reading harder words more easily even in regular print books.

These book series are really enjoyable and for us who have been loving the world of Avatar since the beginning. As a fan I knew there was a lot of stories that bridge the gap between Aang and Korra and I wanted to know what was the healing process after the 100 year war and each nation's response to it. So thank you and I hope we can keep the stories going all the way until we are made current with Korra.

Love the story. I hope they continue making more comics following the original crew.

We like these little books. They, just like the movie, have unexpected twists.

Awesome series, I just wish it wasn't over. I look forward to the Korra comics.

Another great entry in the Avatar universe.

Another solid entry in the Avatar comic-verse. More of the GAang is always good, as they close out the drama unfolding in the South Pole.

I would've given it 5 stars normally, but I hold it to higher standards because of how good the other books were
