Martin Codina is the founder and CEO of Fine Estate Sales and Estate Liquidation, Inc. in the San Francisco Bay area. He has conducted estate sales for nearly 20 years with the promise to obtain the maximum dollar value each item in a client's estate deserves; to discover hidden value in items thought to have little or no value; and to solve the age-old question: "What do I do with all this stuff?"

Thorough, insightful, informative. Was a fun, quick read too. I would recommend to anyone

downsizing themselves, or to families getting ready to help a loved one downsize.

One of the better estate books of the many I am reading. Good advice found within the pages of this book.

This book had some good ideas and was helpful, but it seemed to be an advertisement for professional estate salespeople.

I am finding the book most helpful. All the books I have ordered have come in a timely manner -- always reliable.

Very insightful. I found this book to be helpful to my business.

valuable info for liquidating my neighbor's collection of a lifetime!

Excellent service and a helpful book. A little bit anecdotal, but if you read it from front to back you can get a lot of info.
