Customer Reviews

one of the worst coloring book ever. Consider the following points:1- regarding "paper quality" it is very good quality.2- regarding that every single has only 1 picture, is also another good thing.3- but, the most important thing the quality of the picture it self.. is a disaster.. bad bad bad by all the means. It looks like that the publisher took the picture from (google) and print it. SHOULD NOT sell things like this

Ordered this color book for my niece for Christmas. It was a big hit! She loves Lady and the Tramp. There isn't that much to choose from so this color book really made the day
