Folk Hats (Folk Knitting Series)

Synopsis

With 30 completely original patterns for fun and functional hats, this globe-trotting collection presents clear illustrations and step-by-step instructions for knitters of all skill levels. History and folklore from the hat's country of origin accompany each project. Included are felted cowboy hats, festive hats from Cameroon and Japan, historic derbies from around Europe, a beaded cloche from Afghanistan, warm cossacks from Russia, and darling baby bonnets from Nigeria and China. Each unique topper is an item of style and of substance. The imaginative and versatile designs and range of yarns and techniques put a new spin on the standard hat pattern and reinterpret these folk classics for modern knitters.

Book Information

Series: Folk Knitting series

Paperback: 144 pages

Publisher: Interweave (October 1, 2005)

Language: English

Customer Reviews

"The history and story regarding each design is most interesting." - Knitting News
"Fanciful and playful." - Bangor Daily News
"This eclectic collection of original knitted designs is sure to elicit rubbernecking and about faces." - CNA Magazine
"Projects range from super simple to challenging and reflect the rich colors and textures of the world." - Fiberline Magazine
"Designer Vicki Square has taken traditional folk patterns and engineered them into inventive knitted creations." - Creative Knitting

Vicki Square is the author of Knit Kimono, Knit Kimono Too, Folk Bags, Folk Hats, and the

best-selling *The Knitter's Companion*. She is also a contributor to *Lace Style*, *Simple Style*, and *Knitting Green*. Vicki regularly designs knitted pieces from elegant basics to unique art to wear. Her artistry in color and aesthetic are stated boldly through her engineering of unusually shaped garments and accessories. Magazines such as *Interweave Knits*, *Knitter's* and *Spin-Off* have featured her work, and she has won awards for her innovative designs. Vicki has been designing and teaching knitting for more than twenty years, and cross-trains her creative passions with drawing, painting, and mixed media pursuits. She lives in Fort Collins, Colorado.

I had seen this book before, and although there are many hats in here that I probably will never make, I wanted to get the pattern for one particular hat. It met my expectations.

Its a great book I bought it for the fedora pattern. Has several patterns that I plan to make.

The only reason I didn't give it a 5 is that I can't imagine wearing most of these. But I loved the book for its inspiration and charm. A good book for knitters.

I've been wanting it for years and was glad to find it used for a fraction of the price.

I bought this for a felting project and though I wasn't interested in making all the hats, they are still worth having for any event that may come up.

Great fun looking and creating the designs.

I loved this book! It was everything I was looking for. Funky, fun styles. I'm going to make most of them.

Perfect
