# **Beginners Guide To Macrame: How To Learn Macrame In 3 Step By Step Projects (Plant Hanger Series Book 1)**

## Synopsis

The best way to learn macramé is to put it into practice. And what better way to start right away with a classic plant hanger? This book teaches you first the basic knots and then shows you how to combine them into a variety of beautiful plant hangers. Simple diagrams with instructions show you how to tie the basic knots and prepare you for any of the three final projects. keywords: macrame plant hanger, macrame plant hanger patterns, macrame plant holder, macrame hanging planter, macrame instructions, macrame book, easy macrame

## Customer Reviews

Beautiful yet simple plant hangers used for examples to teach a novice like me. Very pleased with this instructive book.

Made all of the plant hangers. The instructions are clear. Good book. I would recommend it for beginners or anyone.

Hopefully I can follow these directions. Not for beginners. :)

i expected more

This book is a great help to beginners in doing macrame. The instructions are very easy to follow. After learning the knots they should be able to make anything they wish too. Will recommend this to friends wanting to learn.

Great purchase! The ease of purchase and download to my phone was excellent. Not trees were injured during this transaction!

Easy read.easy to follow instructions.

The book is great. Now I have to put it to use
