Customer Reviews

Story was pretty great. It totally gave background to the album it was based off. The art was pretty spot on too

i would die for mcr and this is a great present for anyone who is also obsessed with the band

This was awesome. Well worded, beautifully illustrated, great themes. Can't wait to read the next one. The book came bent though it is new. That was the only issue.

It's okay, kind of rushed, kind of forgettable, but the art was great. This is a good comic for any MCR

fan.

the whole story was amazing. Not precisely what I normally would read, but well written and engrossing.

FANTASTIC COMIC SERIES. I really liked it. Wish there was more of it.

I loved this, it was a great read and the details were lovely, it has a great plot and made me feel so many emotions I almost couldn't take it.

AMAZING
