Essentials Of Immigration Law

Synopsis

Essentials of Immigration Law by Richard A. Boswell provides the basic foundation necessary for an understanding of everything immigration--from the passage of the first immigration-related statute to the current state of affairs. This indispensable reference offers a practical overview of the entire area of U.S. immigration law and will help you comprehend: Labor Certification; Consular Processing; Citizenship/Naturalization; Deportation/Removal/Inadmissibility; Waivers; Asylum; Criminal Violations; Family-Based Immigration; Employment-Based Immigration; and Administrative/Judicial Review. Essentials of Immigration Law also includes Glossary of Terms, Glossary of Acronyms, List of Immigrant and Nonimmigrant Visas, USC to INA Conversion Chart, and Selected Bibliography. If you've been searching for a practice-oriented manual on this area, Essentials of Immigration Law will provide the foundation every attorney, law student, and law office staff member needs to build his or her understanding of U.S. immigration laws.

If you've been searching for a practice-oriented manual on this area, Essentials of Immigration Law will provide the foundation every attorney, law student, and law office staff member needs to build his or her understanding of U.S. immigration laws.

It is a book crowded with information concerning the immigration laws some that have been in effect for over one hundred years ~ amazing how the more things change the more they remain the same. Very informative and helpful in my paralegal class. Dr. Fredi Jackson

Pretty clear and straight forward. Very very basic. Is not much help unless you want vague definitions and vocabulary. Gives you a little overview.

Very useful source book for practitioner with little to no immigration experience. Provides overview and sources for easy starting point when confronting immigration issues in practice.

I found this was all I needed to successfully study for my Immigration Law exam. Also, as a 3-year accredited representative in immigration law, I appreciated its thorough description of the different nonimmigrant visas and the difference between grounds of inadmissibility and deportability. A must-read, to keep handy on your reference shelf!
