MacArthur's Spies: The Soldier, The Singer, And The Spymaster Who Defied The Japanese In World War II (Random House Large Print)

Synopsis

"MacArthur's Spies" reads like "Casablanca" set in the Pacific, filled with brave and daring characters caught up in the intrigue of war "and the best part is that it's all true!" —Tom Maier, author of "Masters of Sex" A thrilling story of espionage, daring and deception set in the exotic landscape of occupied Manila during World War II. On January 2, 1942, Japanese troops marched into Manila unopposed by U.S. forces. Manila was a strategic port, a romantic American outpost and a jewel of a city. Tokyo saw its conquest of the Philippines as the key in its plan to control all of Asia, including Australia. Thousands of soldiers surrendered and were sent on the notorious eighty-mile Bataan Death March. But thousands of other Filipinos and Americans refused to surrender and hid in the Luzon hills above Bataan and Manila. MacArthur's Spies is the story of three of them, and how they successfully foiled the Japanese for more than two years, sabotaging Japanese efforts and preparing the way for MacArthur's return. From a jungle hideout, Colonel John Boone, an enlisted American soldier, led an insurgent force of Filipino fighters who infiltrated Manila as workers and servants to stage demolitions and attacks. —Chick —Parsons, an American businessman, polo player, and expatriate in Manila, was also a U.S. Navy intelligence officer. He escaped in the guise of a Panamanian diplomat, and returned as MacArthur's spymaster, coordinating the guerrilla efforts with the planned Allied invasion. And, finally, there was Claire Phillips, an itinerant American torch singer with many names and almost as many husbands. Her nightclub in Manila served as a cover for supplying food to Americans in the hills and to thousands of prisoners of war. She and the men and women who worked with her gathered information from the collaborating Filipino businessmen; the homesick, English-speaking Japanese officers; and the spies who mingled in the crowd. Readers of Alan Furst and Ben Macintyre "and anyone who loves Casablanca" will relish this true tale of heroism when it counted the most.

Praise for The Freedom Line "Exciting and highly readable . . . Written with an eye for characterization and vivid detail and a sense of immediacy and moral commitment. . . Eisner has given us an exhilarating account of harrowing danger, betrayal and heroism, one with a hint of romance and with the ultimate triumph of freedom and justice." The Washington Post ""MacArthur's Spies reads like Casablanca set in the Pacific, filled with brave and daring characters caught up in the intrigue of war and the best part is that it's all true! With great historical detective work and narrative grace, Peter Eisner opens our eyes to the amazing story of Claire Phillips. Inside her shadowy Manila nightclub, Claire masterminded a spy ring that outfoxed Japanese invaders and helped America win World War II when all seemed lost. This is a spy story about a remarkable woman who, through her own cunning and considerable charm with the men in her life, manages to survive a triumph of the human spirit." Excellent product service/thanks

Enlightening about spies and challenging sometimes to read. I was sorry for the bitterness of friends against Claire in the end. It is sad that Dian did not contribute. To be a spy one is not perfect. Good history.

What can I say.....I started the book, intending to read 3 chapters before going to sleep. Well, it was such a page turner, the story and characters so engrossing....that I stayed up and read it in one sitting!Excellent read.

Excellent read.

My wife liked the book

Too journalistic, not a novel read

Fascinating read!

good book great read
