Customer Reviews

My child's violin teacher said this one has too many errors. Many upbows are marked as downbow (or something similar)

It did not come with violin part. Send me violin part!!!!

There's only been a couple bowings that i've changed so far (i'm still on first movement). The fingerings work except when it goes above 5th pos - but then again I tend to stretch a little more and shift single fingers much more since i have big hands. I haven't tried other editions but this one is good and definitely cheaper than the rest.

Good as it is.
