Customer Reviews

"The material addressed in this work is critical to our generation! This book is essential as it exposes the work of darkness and magnifies the power of the light of God's Spirit!" -- Dr. Myles E. Munroe, Bahamas Faith Ministries, International

Paul and Claire Hollis are both practicing counselors with Ph.Ds in Psychology. They have seen many thousands of people freed from demonic bondages and conduct School of Deliverance seminars around the world.

Book received in new condition. Very satisfied.

This was a great price, and exactly what I was looking for. Thank you so much. I enjoyed reading it.

I have read this book several times. It describes a method of being set FREE from addictions &

"hang-ups". Not too many people can HANDLE the Truth. It was a difficult "bitter pill" to swallow for me, at first. But, as I began to apply these concepts to my personal life, I began to see rapid improvement(s) in direct proportion to my willingness to apply these concepts. To quote the movie The Matrix: "This is your last chance. After this, there is no turning back. You take the blue pill - the story ends, you wake up in your bed and believe whatever you want to believe. You take the red pill - you stay in Wonderland and I show you how deep the rabbit-hole goes. "So, don't read it if you wish to remain blissfully unaware of the truth.
