Customer Reviews

Wondering if the beeswax and butter should be 50/50 by weight or measure ?Wondering if you clean the beeswax/butter pan or put it in freezer for next time to reuse ?Do you have to use alcohol in the recipe?Love all the pictures and how the steps are broken down. Thinner and bigger book than I expected. It is helpful in the kitchen and while making them with my toddler.

I made these and they came out amazing.....excellent book if you want to make Cannele's easily all the tips and information makes it foolproof !!!!!

I can't wait to make these little darlings. I just love them. So fun to have this book of recipes!

Happy!

Great resource for first time cannele makers! Goes through the details of what kind of forms to use, how to treat them, and of course includes a recipe.

Authentic, fun book.

Instructions are clearly written. I have not yet made the canneles as I wanted to get the books instructions before I bought baking containers. Loo

Inspiring
