A spectacular collection of early music! Provides material for a young singer as well as someone more advanced in study. Many of these pieces will be featured in an upcoming recital, and it is a wonderful and efficient variety of levels of difficulty, subject matter, and tessitura. Would highly recommend!

As a voice teacher I assign these songs frequently. Almost every song is on the repertoire list for RCM /MDP beginning from grade 4 and through grade 8. They greatly vary in difficulty though. Accompaniments are easily learned and nicely arranged.

Great collection.

Bought this for my opera loving daughter. A great complement to the traditional Italian Baroque and Romantic song books. Love Purcell!

A very appealing selection of songs that arrived in excellent condition.

You will love these beautiful renaissance songs for your soul.

Thank you so much! Came in brand new and on time! Highly recommend this, and will come back again, thanks!

Excellent
